To the President of the Club

NEW CLUB PERMIT SCHEME APPROVAL OF MOTOR VEHICLE CLUBS

Changes to the *Road Safety (Vehicles) Regulations 2009* will from **February 2011** allow for the introduction of a new logbook-based club permit scheme.

The scheme which has been developed after consultation with motor vehicle clubs, introduces a more flexible way for veteran, vintage, classic & historic and street rod enthusiasts to enjoy driving their vehicles. The enclosed brochure, prepared for the benefit of permit holders, provides more information about the Scheme.

An important element of the scheme relates to the approval of motor vehicle clubs participating in the scheme. VicRoads will require approved clubs to assist in ensuring the integrity and effective operation of the scheme. Also, to have access to the scheme, a vehicle operator must be a financial member of an approved motor vehicle club.

On that basis, the attached letter of agreement sets out the responsibilities that will apply to an approved club. If your Club wishes to continue to be approved for the purposes of the Scheme after February 2011, an authorised signatory of the Club (such as the President or Secretary) is required to sign the agreement on behalf of the Club. Please return the signed copy of the agreement to VicRoads by **22 December 2010**. An additional copy of the agreement is enclosed for your records. VicRoads will maintain a list of approved clubs on its website.

If you have any questions about this agreement, please contact Fergus McDonald, Tel: 9854 2794, who will be pleased to assist.

Yours sincerely
